VANCOUVER PROGRAMS

Understand the Strength in Diversity

Vancouver welcomes all ethnicities and thrives in cultural appreciation and acceptance. This stimulates the sharing of knowledge, creativity and tradition. We carefully design our English curriculum and extracurricular activities with a theme of Celebrating Diversity.

In our Vancouver Programs, we emphasize the development of a positive global perspective among young people. Students will learn that today, people of the world are more closely connected and must be kind to one another. They will experience firsthand how, in a multi-ethnic, multi-cultural city like Vancouver, people with different backgrounds can live together with appreciation and kindness.

Experience the Beauty of the Pacific Coast

The West Coast of Canada is rich with the beauty of nature, which excites and inspires our students. They are able to actively learn as they travel and explore alongside Bodwell’s experienced staff. Outings include whale watching on the Pacific Ocean and visiting natural habitats of plants and animals in the parks, forests, and shorelines around Victoria.

In the Vancouver & Victoria Programs, students will develop an appreciation for nature and understand the importance of sustainability and protecting the environment.

Expand your Horizons from Sea to Sky

Whistler and Squamish have breathtaking lakes, hiking trails, and gorgeous mountains capped with dazzling white snow even in the summer months. Students in this program will ride the Whistler Gondola up in the mountains and visit the gold mines.

English lessons are accentuated by presentations, projects and the encouragement of public speaking. Both indoors and outdoors, the Vancouver & Whistler / Squamish Programs aim to strengthen and develop the students’ leadership skills.

Experience Unprecedented Personal Growth

The TRI Programs offer the best of Bodwell’s University Summer Programs. Visit some of the most memorable cities in British Columbia, Canada. Experience the highlights of all programs in Vancouver, Victoria, and in Whistler / Squamish. Also learn by taking part in the three corresponding themes of Celebrate Diversity, Discover Nature, and Develop Leadership.

Students in the TRI Programs will be challenged in overall personal growth and development during their stay in Canada. The wide variety of class work, activities and outings will greatly increase the development of the students’ English skills.

FREQUENTLY ASKED QUESTIONS

You have questions, we have answers...

Can children under the age of 14 travel alone to Vancouver?
Parents or guardians need to notify the airline if their child is under 14 and will be travelling alone. Please let the airline know that an unaccompanied minor will need supervision for their travel to and from Vancouver. The airline will arrange for an attendant to help the child through customs and with boarding. When arranging for this special service, the airline also needs to be informed that a Bodwell representative will be picking up the child from the Vancouver International Airport. An unaccompanied minor service fee will apply through the airline for both ways and should be paid for in advance of coming to Vancouver.

How will parents know that their children have arrived safely?
Bodwell will notify parents via email on the day their child arrived safely in Vancouver. Emails to receive the confirmation must be completed on the Flight Information Form.

How will students keep their money and valuable safe?
Students are advised not to bring unnecessary valuables, such as expensive watches or jewelry, to the program. A locked safe in the Bodwell office is available for students to keep valuables if required. Such valuables will only be available for use a few times per week at set times. It is constantly advised to students that they lock their dorm door at all times. Bodwell College will not be responsible for lost or stolen items during the students’ participation in the program.

What happens if a student becomes ill or gets hurt?
Bodwell arranges medical insurance coverage for all students for the duration of their program. In the case of sickness, accident, injury or emergency, Bodwell staff will accompany the student to receive medical attention. There is a hospital nearby all program locations.

How is security organized in the dormitories?
Only authorized personnel and students are given keys to the dormitories. Students are assigned Counsellors who stay in the same dormitory area as their students. In addition, there is a Dormitory Manager who is on duty in the evenings and on weekends in the event of an emergency and to assist with other issues. Security Guards patrol the university grounds at night.

How do students do their laundry?
Counsellors are provided with laundry cards that operate the machines in the dormitories. Students will be provided with laundry detergent and assisted by their Counsellors in doing their laundry on a regular basis.
